HOW WE DO IT

Funding support for the Drop-In Centre comes from the HSE Social Inclusion Unit, Limerick City and County Council, donations from the public, and from the generous support of SVP

The service has a wonderful team of compassionate and professional **staff**.

The service has over 30 dedicated and skilled **volunteers**

The service is governed by the diligent and practical guidance of St Benedict Labre **Conference**, and Mid-West **Regional Council**

The service, as part of SVP's **National Child & Family Services** has the expertise and guidance from the national team.

I would like to embrace the whole world in a network of love

Blessed Frederic Ozanam
