About Us

Rathmullan Day Care centre is specifically designed with the older person in mind.

The Centre's primary function is to serve the older population of Rathmullan.

Our centre caters for a largely rural community and many of the clients who avail of the service reside in isolated areas.

The Day Care Centre is a wonderful social outlet for people in the community providing an opportunity to stay connected through active conversation, being listened to and being an integral part of a caring and supportive group.

Our main priority will always be the wellbeing of our clients while promoting independence, happiness and lots of fun and laughter through active social engagement.
