

Dear Social Justice Network Members,

Agitate is a way for people to get involved in campaigns by contacting our local TD's or local authority representatives on an issues or topics which you are passionate about through emails.

The Social Justice Team would like to get you involved in our campaigns, we would create the campaign and write the emails, which you receive and if you want to get involved you click on a link which will allow you to send an automatic email to your public representatives.

Before we take on this new way of campaigning we'd like know what you think of the idea. It will take less than 1 minute to answer these 3 questions, we don't ask for any personal details. Please quickly tell us what you think about getting involved in this way.

Please click on the link here, <https://forms.microsoft.com/e/pYmRJptvn1>

Or scan the QR code below.

The survey ends on the 18th of November 2025, please complete it as soon as you can. It may be the shortest survey you'll ever receive!

SVP Members Experience of legal and or illegal lenders

The Social Justice Team have had meetings with the Central Bank recently. The Central Bank are keen to hear about peoples experience with financial institutions, particularly for those we support at SVP.

If you are a member with experience in supporting the people we serve with issues with their banks, credit unions or other legal or illegal lenders you can email us with your experience, whether they be positive or negative. Please email your experiences to sjnetwork@svp.ie

Please do not include any identifiable information about the person you supported but you can name the bank/credit union etc. and the area/county. We will gather what we hear and pull out the key issues to share with the central bank head of consumer and investor protection. We are doing this because they want to know what's actually happening for the people we support with regards to their financial institutions so that they can ensure that all legal institutions are following their regulations and make them aware of the illegal money lenders.

If you have any questions about this please contact Niamh.Dalziel@svp.ie

Thank you for taking the time out to read this email and for being part of this network.

Kind regards,
The Social Justice Team.
